Master of Interior Architecture Programme Track Motivation Form

For applications for academic year 2027-2028

Your information

First Name	
Last Name	
Mailing Address	
Your application number (if already known)	

Track Selection

Within the Master of Interior Architecture, you need to choose which track to focus on. Tick the box for the track that best matches your interests and the type of environments and design challenges you want to explore.

Important: this choice is permanent and binding; you can pick only one and have to pursue that track in your application and course, should you be selected. No switching is allowed after you submit your application. Choose wisely.

☐ Track Adaptive Reuse

☐ Track Responsible
Retail Design

More information on these tracks can be found on uhasselt.be/eiar

Application Video

Part of your application is providing us with a video. This video:

- is maximum 3 minutes long.
- is you introducing yourself in English and explaining what you would like to work on for your master's project and thesis.
- must be a URL that does not expire, preferably a private YouTube link or a Google Drive link set to public viewing.

Provide us with that URL here:

--
